The Career Center  
University of Illinois

Dear Zella Walden,

I am writing to express my interest in the Summer 2024 Internship with Lenovo's cloud analytics team in Chicago, IL, as advertised. As a Statistics Junior at the University of Illinois at Urbana-Champaign, with a strong passion for data science and a solid foundation in predictive machine learning models, I am excited about the opportunity to contribute to Lenovo's innovative projects.

Lenovo's commitment to delivering smarter technology for all aligns perfectly with my career aspirations. I am inspired by Lenovo's bold vision and its dedication to building a more inclusive and trustworthy future through groundbreaking innovation. I am eager to be part of a team that shares my values of integrity, accountability, and customer focus.

My experience as an ATLAS Machine Learning Intern and a Course Assistant for STAT107 has equipped me with the technical skills and practical knowledge necessary to excel in this role. During my internship, I have built predictive machine learning models using Python and employed various techniques, including XGBoost, Random Forests, and Regression models. I have also gained experience in data preprocessing, feature engineering, and model optimization. Additionally, my role as a Course Assistant has honed my ability to communicate complex concepts effectively and collaborate with diverse teams.

Furthermore, my diverse background, including experience as a Management Intern and as a Finance Unit Supply Manager in the US 8th Army, has equipped me with valuable skills such as project management, teamwork, and problem-solving. I am confident that my unique blend of technical expertise and real-world experience will enable me to make a meaningful contribution to Lenovo's cloud analytics team.

I am particularly excited about the opportunity to collaborate with Lenovo's talented engineering professionals and gain exposure to Google Cloud products like BigQuery. I am committed to learning and adapting to new challenges, and I am eager to contribute to the success of Lenovo's transformative projects.

Thank you for considering my application. I am excited about the opportunity to bring my skills, enthusiasm, and passion for technology to Lenovo and make a positive impact on the team. I look forward to the possibility of discussing how my background and experiences align with the needs of the cloud analytics team.

Sincerely,

Sangjun Ko
